PETITION FOR RULEMAKING

November 20, 2003

Dear Secretary:

On September 30, 2003 the Commission released a Public Notice (DA-03-2990) inviting reservation showings for vacant FM allotments.

In this Petition for Rulemaking ("Petition"), we request that the Commission reserve the vacant allotment for Channel 244-A, Key West, Florida for NCE use. The attached exhibits demonstrate that all reserved channels are technically precluded from use by new applicants for NCE service. Furthermore, grant of this Petition would make possible Key West's second NCE service.

Therefore, we request that the Commission grant this Petition. Please do not hesitate to contact me directly should you have any questions.

Sincerely,

Robert J. Robbins
President

Channel 244-A Key West, Florida
Petition for Rulemaking

Showing of provision of first and/or second NCE radio service

There is one licensed primary NCE radio station (WJIR) serving the community of Key West, Florida. WJIR provides a 32.9 mV/m signal to Key West.

There are three low-power translators (W220DF, W213BF, W202BO) licensed to Key West, Florida.

Grant of an application for a new NCE radio station licensed to Key West would provide the second NCE radio service.
